

About groundWork, the organisation

MISSION STATEMENT

groundWork is a non-profit environmental justice service and development organisation working primarily in South Africa and increasingly in Southern Africa.

groundWork seeks to improve the quality of life of vulnerable people in South Africa and Southern Africa through assisting civil society to have a greater impact on environmental governance.

groundWork places particular emphasis on assisting vulnerable and previously disadvantaged people who are most affected by environmental injustices.

groundWork is the member of Friends of the Earth International for South Africa
